

COMMUNITY DEVELOPMENT DEPARTMENT
80 Columbia Avenue, Marysville, WA 98270
(360) 363-8100, (360) 651-5099 FAX

Prior to Utility Service

1. Sewer mains must be flushed, pressure tested (the pressure test must be witnessed by the City Inspector), and videotaped. The sewer videotape and report are to be submitted to the City for review and acceptance.
2. Water mains must be pressure tested. This test must be witnessed by the City Inspector. Water main will be flushed and purity taken by the City crew. Contractor to install water main tie ends, witnessed by the City Inspector. Satisfactory test results must be received by the City.
3. Walkthroughs must be completed with the inspector and contractor. All punchlist items must be corrected prior to acceptance.
4. Water, storm drainage, and sanitary sewer easements must be described and submitted to the City for review. When approved, the City will record the easements and submit a recorded copy to the applicant. (Forms available at Public Works Dept).
5. As-built drawings must be received for review by City. When approved, the mylars must be submitted on 24"x 36", 5 mil mylar.
6. A Bill of Sale and Warranty must be received for review by the City. Separate forms for water/sewer are available at Public Works Dept. Bills of Sale shall be submitted with the "As-Builts".
7. One-year maintenance bond or assignment of funds must be provided to insure the utility line. The amount will be a maximum of 20% of the total cost of the bills of sale. (Forms available at Public Works Dept).
8. All recovery fees, utility main fees, and extension fees must be paid prior to utility service.
9. If property is outside of the Marysville City Limits, an Annexation Covenant and Power of Attorney must be provided to the City (Forms available at Public Works Dept.)
10. All Cross Connection Control devices must be certified and tested prior to utility service. Test results must be received by the City.
11. Pre-treatment, grease interceptor/inspection approval.

After Acceptance of Project by the City of Marysville

1. Connection fees to be paid at time of application.
2. Developer wishing to enter into a recovery contract with the City shall have 60 days from acceptance of the lines to make application. (Forms available at Public Works Dept).
